

National Cooperative Geologic Mapping Program Federal Advisory Committee Meeting

October 31st-November 1st, 2000
Department of the Interior, John Muir Room
Washington, D.C.

Tuesday, October 31st – Establishing Priorities for Geologic Mapping

- 9:00 *Introductions and Objectives of Meeting*
P.Patrick Leahy and John Pallister, U.S. Geological Survey
- 9:30 *Groundwater Resources at Risk – Assuring a sustainable future*
Bill Alley and John Pallister, U.S. Geological Survey
- 10:00 *Economic Benefit of Detailed Geologic Mapping to Kentucky*
Subhash Bhagwat, Illinois State Geological Survey
- 10:45 *Break*
- 11:00 *FEDMAP Efforts*
Martha N. Garcia, U.S. Geological Survey
*Southern California Areal Mapping Project - Addressing Multiple Program
Priorities*
Doug Morton, U.S. Geological Survey
- 11:00 *Lunch*
- 12:45 *National Geologic Map Database Activities - An Update*
David Soller, U.S. Geological Survey
- 1:00 *FEDMAP - Chesapeake Bay Impact Crater – Geologic controls on water flow*
Greg Gohn, U.S. Geological Survey
- 1:45 *STATEMAP–Three Dimensional Geologic mapping for groundwater studies in Illinois -
Fostering partnerships*
Dick Berg, Illinois State Geological Survey
- 2:30 *Break*

- 2:45 *EDMAP– Successfully training the next generation of geologic mappers*
Peter Lyttle, U.S. Geological Survey
EDMAP in the Black Hills of South Dakota
Brent Zaprowski, Lehigh University
EDMAP of the Sky Village NE, NM quadrangle: The "Rosetta Stone" of the Middle Rio Grande Basin Study
Frank Pazzaglia, Lehigh University
- 3:30 *Hydrogeologic Framework Investigations in the Ozarks – Providing Science in the National Parks*
Richard Harrison, U.S. Geological Survey
- 4:00 *NCGMP Outreach Efforts*
- 4:45 *Wrap-up for the day, overview of Day 2*
- 5:00 Meeting adjourns for the day
- 6:00 – 8:00 Dinner at Trattoria Alberto's (8th Ave/Pennsylvania, reservation under USGS)

WEDNESDAY, NOVEMBER 1ST – Establishing Priorities for Geologic Mapping

- 9:00 *Objectives for today*
- 9:15 *Survey of Geologic Mapping Priorities*
Peter Lyttle and Martha Garcia, U.S. Geological Survey
- 9:45 *Exercise - Geologic Mapping Priorities and Recommendations of the Advisory Committee*
- 10:30 *Break*
- 10:45 *Exercise continues*
- 12:00 *Lunch*
- 1:00 *Wrap-up*
- 2:00 Meeting adjourns
